# 2017 ANNUAL REPORT

# ABOUT MCPAWS

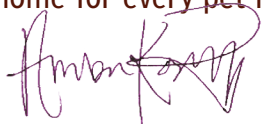

## LOOKING BACK AT 2017

Looking back, I am struck by how much has transpired in 12 months here at MCPAWS. Small victories, along with a few heartbreaks, make up the daily routine at the shelter. There are times when I find myself feeling a bit lost in these details. It's in these moments, when it's important to take a breath and refocus myself onto the bigger picture – the larger goals and vision that are driving this organization forward.

With the help of a very generous donor, MCPAWS has made a huge stride towards long-term financial sustainability with the establishment of the McFund – A MCPAWS Endowment Fund. This is a new opportunity for donors who want to contribute to the lasting legacy of animal welfare in our community, with each contribution helping to ensure that MCPAWS services continue in perpetuity.

I'd also like to highlight efforts within the Idaho animal welfare community to create a coalition of shelters focused on establishing our state as No-Kill by 2025. I'm happy to say that MCPAWS is an active participant in the formation of this coalition! By coming together as organizations, each of us bringing our own unique strengths to the table, we can expand our positive impact far beyond what any of us could do alone, including the establishment of a No-Kill Idaho.

These are exciting times for MCPAWS! It is clear that none of this would be possible without the help of our dedicated supporters. Together, we'll continue working together to ensure that our vision of a safe and loving home for every pet is achieved. Thank you so much!

# MCPAWS GENERAL SERVICES

## SHELTER & ADOPTIONS

MCPAWS provides safe shelter, nutritious food, warm beds, enrichment, and compassionate care to lost and abandoned animals until they find forever homes. All animals are fully vaccinated, spayed or neutered, and microchipped before they are made available for adoption. We have several adoption promotions each year, and have an off site cat adoption center at the MCPAWS Thrift Store in downtown McCall.

## LOST & FOUND

MCPAWS provides aid to those who have lost animals by posting lost animal information at the shelter and on our Facebook page. Found animals can be brought to MCPAWS where they will be scanned for a microchip and have their photo posted on our Facebook page so they can be quickly reunited with their family. MCPAWS finished 2017 with a 82% Return to Owner Rate for dogs!

## MICROCHIPPING & ID TAGS

MCPAWS provides a microchipping service to the public and provides this service for no fee to anyone claiming a lost animal. Microchipping helps animal shelters, veterinarians, and other rescue groups identify lost pets in the event they are found without other ID tags. This is a major factor in the excellent Return to Owner rate for lost animals coming to MCPAWS. All unchipped shelter animals are provided with a microchip before they are made available for adoption.

## TRAINING & BEHAVIOR ASSISTANCE

MCPAWS staff members know many easy-to-apply training tips and tricks for cats and dogs. Pet owners are encouraged to call the shelter and ask for assistance at any time. If our staff cannot solve your dilemma, we can point you in the direction of someone who can. There are solutions to your problems. By providing these resources before an owner decides to surrender a beloved family pet, we can keep more animals out of the shelter and in loving homes.

## MCPAWS THRIFT STORE

The MCPAWS Thrift Store is like no other with beautiful displays, easy-to-find bargains, adoptable cats, and a comfortable shopping environment that will always keep you coming back for more. MCPAWS Thrift Store is always accepting donations of clothing and household items. All profits from the thrift store go to the cats and dogs at MCPAWS.

## ZAMZOWS DOG FOOD SALES

MCPAWS is the only Valley County location that carries a wide range of Zamzow's dog and cat food. Stop by anytime we are open to purchase your high quality pet food.

# MCPAWS SPECIAL EVENTS

## MONSTER DOG PULL

The dog-gone most fun event of Winter Carnival! Dogs of every type and size are harnessed with weighted sleds based on their weight class. They pull the sleds down a short course to the finish line. No experience or equipment is needed. The crowd gets to watch all the tactics human companions use to encourage their dogs to cross the finish line. Dogs with the best times in each class get prizes. Some dogs don't finish, and that is alright - this race is just for fun and bragging rights. And boy, is it fun!

## BARK! IN THE PARK

A 3K fun walk to raise essential funds for MCPAWS Regional Animal Shelter. Leash up your pooch for a great outing through the scenic meadows and forests of Ponderosa State Park. Post-walk festivities include a picnic lunch, music, contests and prizes for you and your best friend. Registration fee includes a Bark in the Park t-shirt, dog bandanna, treats for your dog, and picnic lunch. Join us at Ponderosa Park on Saturday, June 16th and help us celebrate the 20th anniversary of this fun event!

## AUCTION FOR THE ANIMALS

This is the largest fundraising event for MCPAWS. The Auction features a cocktail reception, live music, an elegant buffet dinner, as well as live and silent auctions. This formal event is a favorite for our supporters. Please join us for the upcoming Auction for the Animals on Thursday, July 26, 2018 at the River Ranch in McCall.

## OKTOBERFEST

Oktoberfest takes place every year on the first Saturday in October at Alpine Village in McCall. Certainly a favorite fall tradition in McCall, Oktoberfest features a beer garden, food court, vendor court, live music, dancing, raffle prizes, arts and crafts, and a kids' activity area. More than 2,000 people are in attendance each year, many driving from Boise and surrounding areas to enjoy this day of festivities.

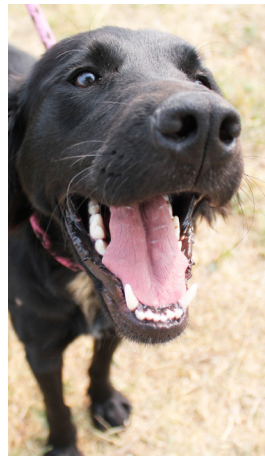

## TAILS ON TRAILS

Held on the first Saturday in October, this dog-friendly 5K provides runners and their dogs with challenging elevation gains, stunning vistas, and delightful single-track descents on the mountain bike trails of Brundage Mountain Resort. The run is followed by our Oktoberfest event at Alpine Village.

# COMMUNITY IMPACT

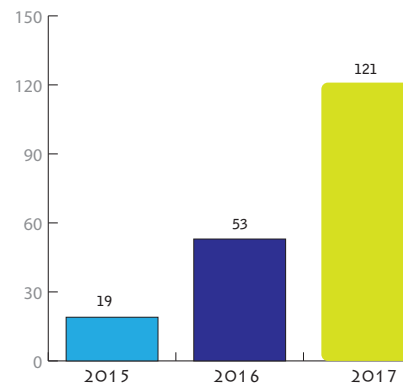

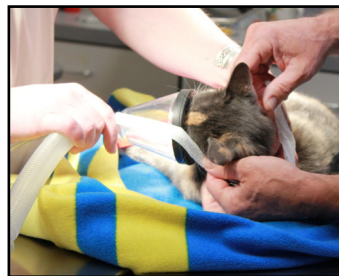

## RETURN TO FIELD PROGRAM

Return to Field refers to the practice of humanely trapping free-roaming, outdoor cats, bringing them to a vet for sterilization and vaccinations, and then returning them to where they were trapped. These cats are unsocialized to humans and are unable to live indoors. By fixing, vaccinating, and returning we can ensure that they are not contributing to the overall cat (and kitten!) overpopulation while living out more healthy and humane lives outdoors.

## COMMUNITY SPAY/NEUTER CLINICS

These clinics are designed to reduce financial barriers that families may encounter when attempting to provide pets with basic veterinary care. At MCPAWS, we understand that a pet owner may not be able to afford a costly surgery. Access to basic veterinary services is an integral component to responsible pet ownership and the mission of MCPAWS. Through the generosity of grants and private donations MCPAWS was able to provide free spay/neuter surgeries to 121 dogs and cats in our community in 2017!

The number of Community Spay/Neuter Clinic surgeries has more than doubled each year since 2015.

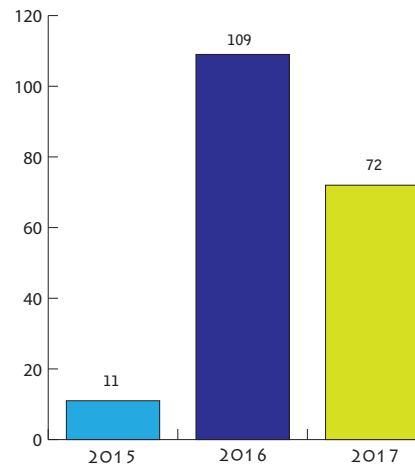

# COMMUNITY IMPACT CONTINUED...

## TRANSFER PROGRAM

The staff at MCPAWS works hard to establish relationships with other animal shelters in our region. We utilize these relationships to address issues of overcrowding and long Length of Stays both here at MCPAWS and at our partner shelters. We transfer in for a variety of reasons – sometimes we just have the space and need for adoptable animals, but we also help high-intake Idaho shelters that would otherwise need to euthanize animals for space. Our long-term vision includes an Idaho where no healthy, adoptable animal is euthanized and we'll continue working with the greater shelter community until we achieve this goal!

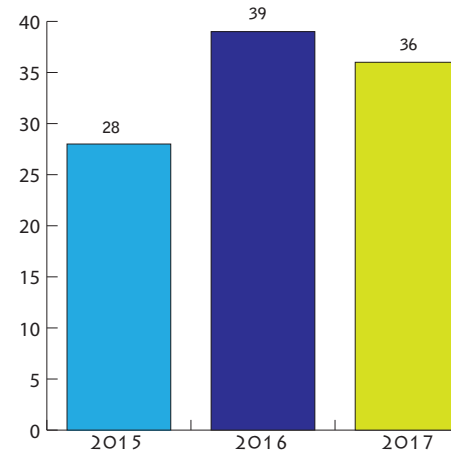

### TRANSFER OUT

In 2017 we transferred 72 animals out of MCPAWS to trusted partner shelters.

### TRANSFER IN

In 2017 we transferred 36 animals into MCPAWS from trusted partner shelters.

## PET FOOD BANK

The MCPAWS Community Pet Food Bank is yet another tactic we are taking to reduce the effects of financial hardship on pet owners. By offering this free service to those who need it, we can eliminate an individual's need to surrender their pet to our shelter because they are unable to afford pet food from time to time. The program relies on donations from private individuals and businesses – if you are interested in donating pet food you are welcome to drop off donations at the shelter.

# VOLUNTEER & FOSTER PROGRAM

## VOLUNTEER!

Volunteering at MCPAWS is a wonderful way to make a direct impact on the quality of life of our shelter animals and meet new people. Volunteers are crucial to our success here at MCPAWS. There are many ways to volunteer and we encourage you to think about the best fit for you and your interests. We need volunteers to walk dogs, socialize cats, help with events, provide enrichment, foster animals, and much more!

## FOSTER CARE FOR NEONATAL KITTENS

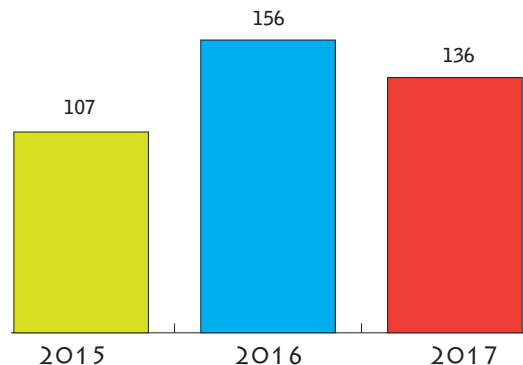

By far, the most at-risk population at MCPAWS are kittens under eight weeks of age. These tiny babies need intensive and specialized care. In 2017, 100% of our shelter deaths can be attributed to these fragile animals. Neonatal kittens often require 24-hour care, which we are unable to provide at the shelter. Consequently, we rely on volunteers who are willing to bring them into their homes and provide them with the care they need in order to survive. In 2017, MCPAWS received 136 kittens (43% of our total cat intakes) and the overwhelming majority of these babies spent time in one of our loving foster homes.

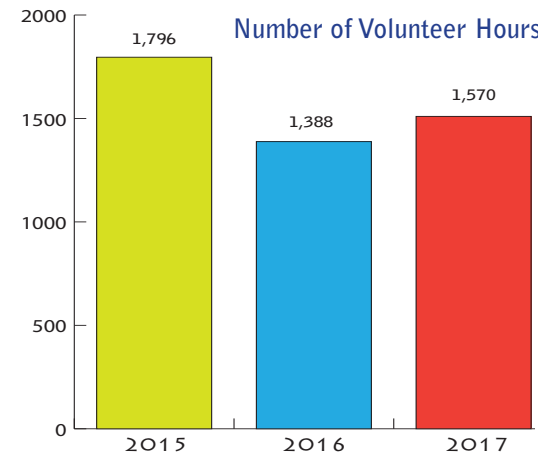

We will continue working diligently to help these kittens, but we need your help! Our staff is extremely experienced in neonatal kitten care and we can provide in-depth training for anyone interested in fostering kittens at home. We have also begun recruiting and training volunteers that work specifically with kittens in our cattery, ensuring that these delicate babies receive the best care possible while waiting to be placed in a foster home. Together, we'll continue working to provide care for as many kittens as possible!

# HOW CAN YOU SUPPORT MCPAWS?

## MAKE A MONETARY DONATION

We rely on the generous donations and support of people like you to continue to make a difference in the lives of hundreds of animals each year. If you are interested in helping support our mission, financial contributions can be made in a variety of ways - online, via mail, or in person! Your gift will make a positive impact on the lives of homeless and abandoned animals of the West Central Mountains of Idaho. Contributions of any size are appreciated and every donation helps us provide shelter and care to the more than 600 animals that come through our door.

## SPONSOR A PET

Every sponsor, or the individual you give the gift in honor of, will receive a Certificate of Sponsorship with information about and a photo of the animal you are sponsoring. When that animal is adopted, you will be notified and receive information about the new dog or cat who has taken their place.

Visit the shelter to see the sponsorship card with your name, or the name of the person you are honoring, displayed on the kennel door of your sponsored animal. Starting at just \$10 for a one month sponsorship, \$50 for six months, \$100 for a year, or \$1000 for a lifetime sponsorship, your donation will help pay for the animal's food and medical expenses. Please visit our website to sponsor a pet: [www.mcpaws.org](http://www.mcpaws.org)

## NAME MCPAWS IN YOUR WILL OR TRUST

The MCPAWS Endowment Fund (McFund) is an investment fund designed to provide a permanent, consistent source of income to help MCPAWS obtain long-term financial sustainability. This investment fund will earn interest income and a portion of that income will be used to support the operations at MCPAWS. The McFund is an excellent way to combine your passion for animals with your estate planning. Your gift is an investment in the future of MCPAWS; a future that will make a real difference in the lives of companion animals and communities throughout the West Central Mountain Region of Idaho. For more information on the McFund, feel free to contact Amber Kostoff via email or phone: [director@mcpaws.org](mailto:director@mcpaws.org), (208) 634-3647.

## STAY INFORMED

Be sure to follow us on Facebook, Instagram, and Twitter for the latest information on all things MCPAWS including latest adoptable animals, lost animals, and upcoming events. Sign up for our monthly e-newsletter The Shelter Scoop online [mcpaws.org/contact/newsletter.html](http://mcpaws.org/contact/newsletter.html) for featured animals, shelter news, and updates on adopted animals.
