# 2018 ANNUAL REPORT

# ABOUT MCPAWS

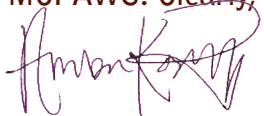

## LOOKING BACK AT 2018

It's been ten years since I googled "McCall Animal Shelter" and was introduced to MCPAWS. As I look back, I see many changes. Our staff and Board of Directors have completely transitioned, with many beloved partners moving on and just as many new faces joining the team. Increased financial security has allowed for new and expanded programming and we are helping more pets and pet owners than ever before!

To ensure our progress is sustainable, several investments have also been made back into the organization. Just last year, the mortgage on our thrift store building was paid in full, sending more dollars back to the shelter. Additionally, a brand new health benefit plan is helping us retain skilled and committed staff, while the greater community continues to struggle with workforce shortages.

Since 2008, I've seen this organization grow in ways that I did not know were possible. Instead of working tirelessly, just to keep our doors open, we're now focusing on strategic goals that are helping us accomplish our mission in a larger way. But this growth comes with increased responsibility and our work is far from done. Orphaned kittens continue to inundate our kennels each spring, adult dogs and cats spend far too much time in the shelter, we are facing significant maintenance issues with our aging facilities, and low-income community members still struggle to obtain services for their pets.

Despite all this, the future of MCPAWS is bright! Considering the progress we've made over the past 10 years, we are better prepared than ever to address our challenges – both old and new. Your support has been, and continues to be, absolutely vital! Thank you so much for your dedication to MCPAWS. Clearly, it's making a difference.

# MCPAWS COMMUNITY SERVICES

## SHELTER & ADOPTIONS

MCPAWS provides safe shelter, nutritious food, warm beds, enrichment, and compassionate care to lost and abandoned animals until they find forever homes. All animals are fully vaccinated, spayed or neutered, and microchipped before they are made available for adoption. We have several adoption promotions each year, and have an off site cat adoption center at the MCPAWS Thrift Store in downtown McCall.

## LOST & FOUND

MCPAWS provides aid to those who have lost animals by posting lost animal information at the shelter and on our Facebook page. Found animals can be brought to MCPAWS where they will be scanned for a microchip and have their photo posted on our Facebook page so they can be quickly reunited with their family. MCPAWS finished 2018 with an 85% Return to Owner Rate for dogs!

## MICROCHIPPING & ID TAGS

MCPAWS provides a microchipping service to the public and provides this service for no fee to anyone claiming a lost animal. Microchipping helps animal shelters, veterinarians, and other rescue groups identify lost pets in the event they are found without other ID tags. All unchipped shelter animals are provided with a microchip before they are made available for adoption.

## TRAINING & BEHAVIOR ASSISTANCE

MCPAWS staff members know many easy-to-apply training tips and tricks for cats and dogs. Pet owners are encouraged to call the shelter and ask for assistance at any time. If our staff cannot solve your dilemma, we can point you in the direction of someone who can. There are solutions to your problems. By providing these resources before an owner decides to surrender a beloved family pet, we can keep more animals out of the shelter and in loving homes.

## MCPAWS THRIFT STORE

The MCPAWS Thrift Store is like no other with beautiful displays, easy-to-find bargains, adoptable cats, and a comfortable shopping environment that will always keep you coming back for more. MCPAWS Thrift Store is always accepting donations of clothing and household items. All profits from the thrift store go to the shelter. In 2018, the Thrift Store contributed over \$100,000 to the animal shelter.

# REGIONAL SHELTER OUTREACH

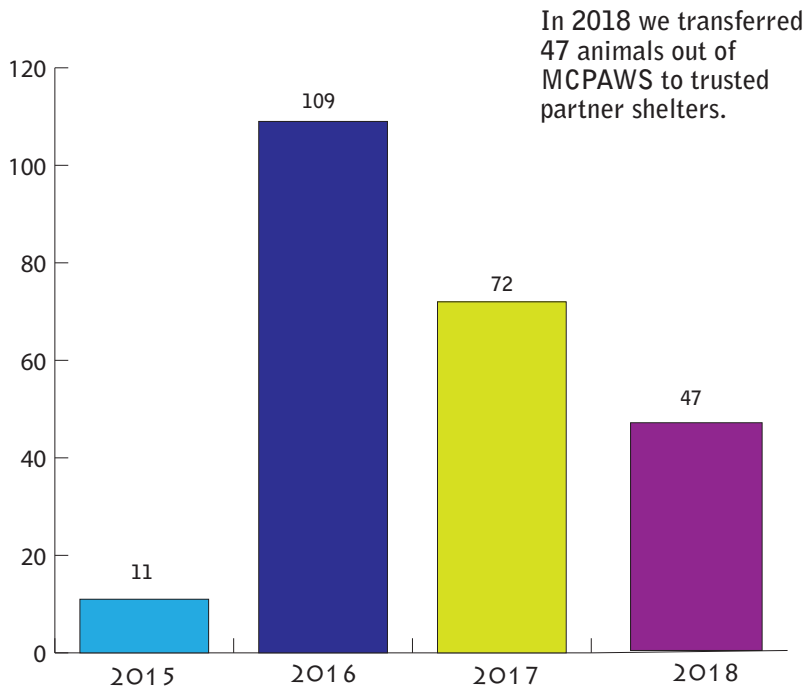

## IDAHO SHELTER COALITION

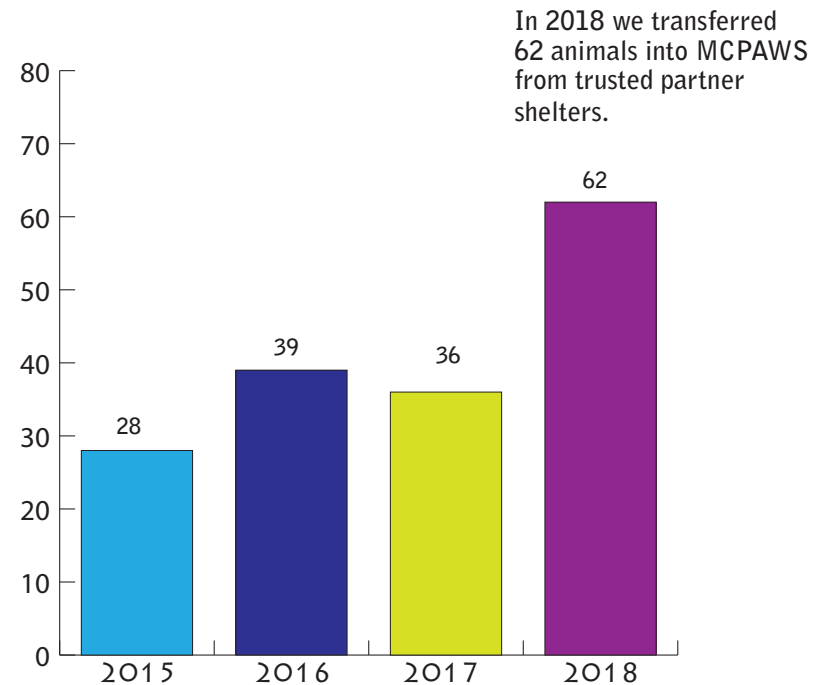

MCPAWS is proud to be a founding member of the Idaho Shelter Coalition, a network of shelters from around Idaho dedicated to making Idaho no-kill by 2025!

The staff at MCPAWS works hard to establish relationships with other animal shelters in our region. We utilize these relationships to address issues of overcrowding and long Length of Stays both here at MCPAWS and at our partner shelters. We transfer in for a variety of reasons – sometimes we just have the space and need for adoptable animals, but we also help high-intake Idaho shelters that would otherwise need to euthanize animals for space. Our long-term vision includes an Idaho where no healthy, adoptable animal is euthanized and we'll continue working with the greater shelter community until we achieve this goal!

# COMMUNITY IMPACT

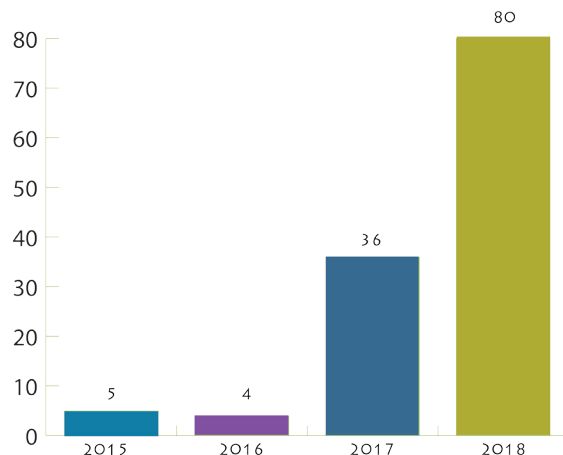

## RETURN TO FIELD PROGRAM

Return to Field refers to the practice of humanely trapping free-roaming, outdoor cats, bringing them to a vet for sterilization and vaccinations, and then returning them to where they were trapped. These cats are unsocialized to humans and are unable to live indoors. By fixing, vaccinating, and returning we can ensure that they are not contributing to the overall cat (and kitten!) overpopulation while living out more healthy and humane lives outdoors.

**80 COMMUNITY CATS WERE STERILIZED & RETURNED TO FIELD IN 2018!**

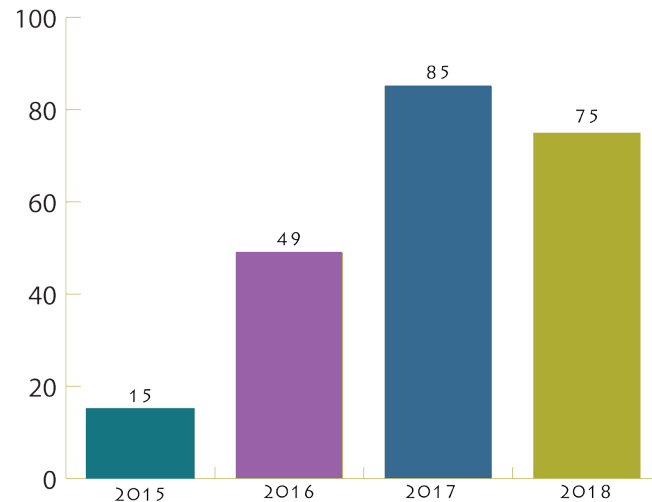

Number of feral community cats sterilized and returned to field each year.

# COMMUNITY IMPACT CONTINUED...

## COMMUNITY SPAY/NEUTER CLINICS

These clinics are designed to reduce financial barriers that families may encounter when attempting to provide pets with basic veterinary care. At MCPAWS, we understand that a pet owner may not be able to afford a costly surgery. Access to basic veterinary services is an integral component to responsible pet ownership and the mission of MCPAWS. Through the generosity of grants and private donations MCPAWS was able to provide free spay/neuter surgeries to 75 owned dogs and cats in our community in 2018!

The number of owned community animals spayed/neutered at no or low cost as part of our Community Clinics.

## PET FOOD BANK

The MCPAWS Community Pet Food Bank is yet another tactic we are taking to reduce the effects of financial hardship on pet owners. By offering this free service to those who need it, we can eliminate an individual's need to surrender their pet to our shelter because they are unable to afford pet food from time to time. In 2018, we distributed 1,110 pounds of dog food and 540 pounds of cat food. The program relies on donations from private individuals and businesses – if you are interested in donating pet food you are welcome to drop off donations at the shelter.

# VOLUNTEER & FOSTER PROGRAM

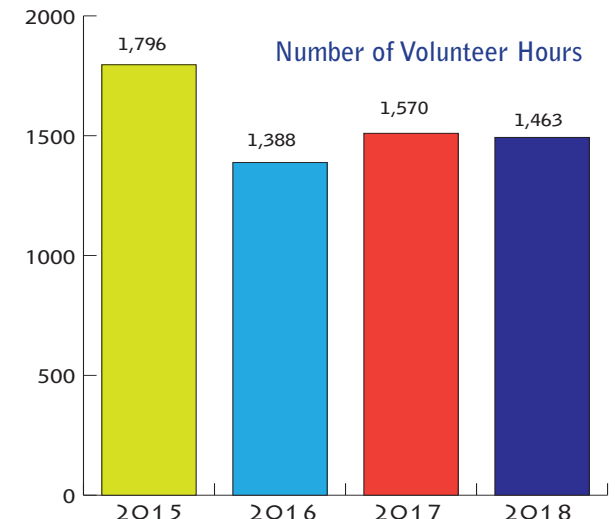

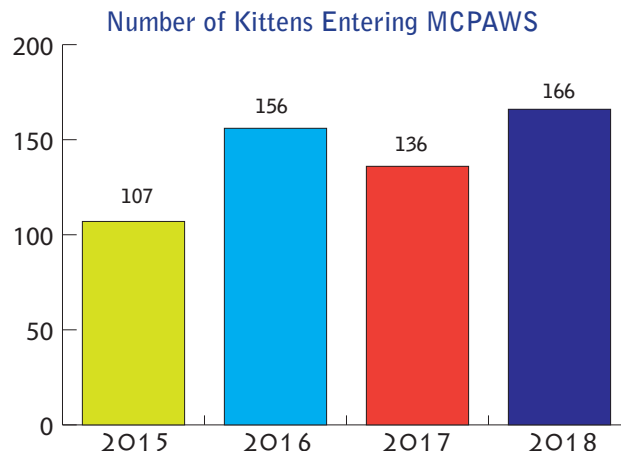

## VOLUNTEER!

Volunteering at MCPAWS is a wonderful way to make a direct impact on the quality of life of our shelter animals and meet new people. Volunteers are crucial to our success here at MCPAWS. There are many ways to volunteer and we encourage you to think about the best fit for you and your interests. We need volunteers to walk dogs, socialize cats, help with events, provide enrichment, foster animals, and much more!

## FOSTER CARE FOR NEONATAL KITTENS

The most at-risk population at MCPAWS are kittens under eight weeks of age. These tiny babies need intensive and specialized care. We rely on volunteers who are willing to bring them into their homes and provide them with the care they need in order to survive. In 2018, MCPAWS received 166 kittens; 55% of our total cat intakes!

We will continue working diligently to help these kittens, but we need your help! Our staff is extremely experienced in neonatal kitten care and we can provide in-depth training for anyone interested in fostering kittens at home. Last year, in total, 110 kittens spent 1,375 days in foster care. We are actively training volunteers to work specifically with kittens in our cattery, ensuring that these delicate babies receive the best care possible while waiting to be placed in a foster home. Together, we'll continue working to provide care for as many kittens as possible!

# HOW CAN YOU SUPPORT MCPAWS?

## MAKE A MONETARY DONATION

We rely on the generous donations and support of people like you to continue to make a difference in the lives of hundreds of animals each year. If you are interested in helping support our mission, financial contributions can be made in a variety of ways - online, via mail, or in person! Your gift will make a positive impact on the lives of homeless and abandoned animals of the West Central Mountains of Idaho. Contributions of any size are appreciated and every donation helps us provide shelter and care to the more than 600 animals that come through our door.

## SPONSOR A PET

Every sponsor, or the individual you give the gift in honor of, will receive a Certificate of Sponsorship with information about and a photo of the animal you are sponsoring. When that animal is adopted, you will be notified and receive information about the new dog or cat who has taken their place.

Visit the shelter to see the sponsorship card with your name, or the name of the person you are honoring, displayed on the kennel door of your sponsored animal. Your donation will help pay for the animal's food and medical expenses during their stay at MCPAWS. Please visit our website to sponsor a pet: [www.mcpaws.org](http://www.mcpaws.org)

## NAME MCPAWS IN YOUR WILL OR TRUST

The MCPAWS Endowment Fund (McFund) is an investment fund designed to provide a permanent, consistent source of income to help MCPAWS obtain long-term financial sustainability. This investment fund will earn interest income and a portion of that income will be used to support the operations at MCPAWS. The McFund is an excellent way to combine your passion for animals with your estate planning. Your gift is an investment in the future of MCPAWS; a future that will make a real difference in the lives of companion animals and communities throughout the West Central Mountain Region of Idaho. For more information on the McFund, feel free to contact Amber Kostoff via email or phone: [AKostoff@mcpaws.org](mailto:AKostoff@mcpaws.org) or (208) 634-3647.

## STAY INFORMED & ATTEND OUR EVENTS
